To consider redesigning the Town Maps

As previous agreed, the Clerk has approached three designers.

There was a discussion about ensuring the new design considers people with visual impairments; Accessible Gloucestershire to be approached for guidance.

After a discussion;

It was **recommended** that Designer 3 be approached to produce the new map and artwork for the Town Maps.

To report on Summer events to promote biodiversity

Stroud Valleys Project have agreed to run a 'bioblitz' at KGV field and a bumblebee safari at Miles Marling Field on the weekend of Saturday 13th/ Sunday 14th July. This will be included in their Garden Guardians project, with no charge to NTC.

After a visit by Stroud Landscape Project to KGV extension field on Monday 4th March, various actions were suggested by the National Trust officers which will increase biodiversity on the site. These will be noted in NTC's draft Biodiversity Action Plan.

To review Environment Committee [Environment Action Plan](#)

The replacement play equipment at Shortwood Green is already being appreciated by residents.
